

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	November 7, 2024
SUBCATEGORY:	Engineering Services
DEPARTMENT NAME:	Water
AGENDA ITEM TITLE:	Satterfield Branch Stabilization Engineering Services
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The Water Department has identified two locations along Satterfield Branch which have severely eroded the soil from over and around an 18” sanitary sewer line. Stantec engineering has submitted a proposal to assist and support the city with stabilization, repair and replacement project permitting and design.</p> <p>The cost submitted by Stantec for these services is \$144,900.00. I recommend approval of this proposal.</p> <p>This is not a budgeted expense but will be paid from Water Department Revenue.</p>
