Cartersville, Georgia
CS 963/SUGAR VALLEY ROAD @ NANCY CREEK

Dear Mayor Santini:

Attached is an undated force account agreement, in PDF format, between CSX Transportation, Inc., the City of Cartersville, and the Department of Transportation supported by an estimate in the amount of **\$84,271.00** construct a replacement bridge along CS 963/Sugar Valley Road over Nancy Creek in the City of Cartersville, Bartow County Georgia. Do not date the agreement; it will be dated by the Department upon execution on behalf of the Department.

The City is being asked to sign the agreement because this project is located on a local road and the City needs to acknowledge that they will take over the maintenance of the roadway after the project construction is completed. **Please note that due to the passage of House Bill 87 in the 2011 Georgia General Assembly, it is now a requirement for you to complete the Immigration Compliance Affidavit included in the attached agreement.** If the agreement meets with your approval, it will be appreciated if you will **print 4 copies** and **handle for execution as originals** on behalf of the City and return all counterparts to this office for further processing. In connection with the execution of the agreement, please be sure to have a witness to the signature. You will find a resolution attached. You can use the attached resolution or you can create your own version.

After the agreement is executed by all parties, it will be held by this office until the project has been awarded to a construction contract. We will then notify you of the award and return an executed original of the agreement.

This project is currently scheduled to be in our March 2026 letting.

You may contact Jill Franks or Noble Rogers if further information is needed at 404-631-1370/1372 or by mail addressed to Georgia Department of Transportation, Office of Utilities, 600 W. Peachtree St. NW, 10th Floor, Atlanta, Georgia 30308 or by e-mail at jfranks@dot.ga.gov or nrogers@dot.ga.gov.
