

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	July 20, 2023
SUBCATEGORY:	Bid Award/Purchases
DEPARTMENT NAME:	Administration
AGENDA ITEM TITLE:	Ventilation Fan Replacement for City Garage
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The ventilation fans at the City Garage facility need to be relocated to the opposite wall to provide better air quality and cooler air temperature in the unconditioned workspace. The current fan configuration raises the facility's air temperature by 15-20 degrees during the summer. Moving the fans to the opposite wall will allow the fans to pull from a colder air pool and provide better removal of vehicle exhaust from the workspace.</p> <p>We received a quote for the replacement/relocation of the fans from Earl Hightower Construction in the amount of \$6,500.00 and K-Mac Electric in the amount of \$7,355.00 for the installation of 3-phase power to the new locations. We request approval to accept both bids and the total amount of \$13,855.00 to complete the project. It is a non-budgeted item, but workers' compensation health/safety funds will cover the cost.</p>
