

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	May 19, 2022
<b>SUBCATEGORY:</b>	Bid Award/Purchases
<b>DEPARTMENT NAME:</b>	Water
<b>AGENDA ITEM TITLE:</b>	Fine Screen Replacement Brushes
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>The WPCP operates a set of fine screens installed between the aeration basins and final clarifiers. These screens remove lint, hair and fine particles not captured in earlier treatment processes. Removing this material at this point helps maintain cleaner final clarifiers and prevents their discharge in the plant effluent.</p> <p>I recommend your approval to purchase these brushes and associated wear plates and hardware from the sole source provider, Zima Corporation, at a price of \$8,615.00.</p> <p>This is a budgeted maintenance item to be paid from account 505.3330.52.2361.</p>
<b>LEGAL:</b>	N/A
