

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	April 3, 2025
SUBCATEGORY:	Engineering Services
DEPARTMENT NAME:	Water
AGENDA ITEM TITLE:	Watershed Protection Monitoring
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The City's NPDES discharge permit requires the development of a Watershed Protection Plan. In accordance with this approved plan the City must perform long term water quality monitoring, fish and macroinvertebrate habitat assessments, with annual reports submitted to the Georgia EPD accordingly.</p> <p>Rindt Engineering has historically performed this service for the City and has submitted a Task Order proposal for this year at a cost of \$59,500.00, which is the same cost as last year. This is a budgeted expense, and I recommend approval of this task order.</p>
