Re: WTP Sludge Lagoon Dredging
Final Project Close-out
City of Cartersville, GA
W&S Project #027-21-121
City Project #: 505.3310.54.1321

Dear Mr. J. Sidney Forsyth:

Based on our observations, contractor certifications, truck scale weight tickets, and other data, the referenced project was, to the best of our knowledge, constructed in substantial conformance with the contract plans and specifications. As such, we recommend a final payment to the Contractor in the amount of \$307,833.25, as shown on the final pay application (Pay estimate #20- Final). All previously held retainage, and any interest earned on that retainage should be paid to the Contractor.

Please execute and forward a copy of the attached Final Change Order #3-Final back to us for our records.

We have also enclosed Denali Water Solutions, LLC's Sworn Statement for Final Payment for your records.

Sincerely,
WIEDEMAN AND SINGLETON, INC.

Ahmed An-naim, P.E.
