

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	May 6, 2021
SUBCATEGORY:	Bid Award/Purchases
DEPARTMENT NAME:	Fire Department
AGENDA ITEM TITLE:	Replacement Generator for Fire Station 2
DEPARTMENT SUMMARY RECOMMENDATION:	<p>Respectfully request approval to purchase a generator for Cartersville Fire Station #2 located on Peebles Valley Rd. The current generator was scheduled to be replaced in the FY 21/22 budget and was moved from old station 1 on Erwin St in 2011. It is approximately 25 years old with increased maintenance costs. Normal lead-time for construction of a new generator is 20 to 22 weeks. We located a new 80KW that only has 17 hours of operation on it. It is available for immediate delivery and set up. This will be accomplished through Nixon Power, who is our maintenance provider. This is single source to match the other generators in the city's fleet. We ask for your approval to purchase a Kohler 80 KW generator and have it installed at Station 2. The purchase price will be \$27,000.00, which is \$3000.00 below our budget amount for a 60 KW and there are funds in the current budget for this purchase. Your positive consideration is appreciated.</p>
