

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	February 15, 2024
<b>SUBCATEGORY:</b>	Bid Award/Purchases
<b>DEPARTMENT NAME:</b>	Water Department
<b>AGENDA ITEM TITLE:</b>	Grassdale Road Water Main Bid Award
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>Approximately 8,850 linear feet of 12” and 8” water main needs relocated and/or replaced in conjunction with roadway, drainage and sidewalk improvements along Grassdale Road. Sealed bids were opened on January 25, 2024, with five (5) responsive bidders. Sweitzer Engineering recommends awarding the contract to the low bidder, HD-Excavations &amp; Utilities, LLC of Dallas, GA, for a contract price of \$2,581,475.00.</p> <p>Since this price is approximately 25% lower than the second low bid, extensive investigation of references and work record, current workload, and assurance from the company owner that there was no mistake nor oversight in their bid package. I recommend awarding this contract to HD-Excavations &amp; Utilities of Dallas, Georgia. This request is a budgeted project to be paid from capital account #505.3320.54.1346.</p>
