

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	September 5, 2024
<b>SUBCATEGORY:</b>	Bid award/Purchases
<b>DEPARTMENT NAME:</b>	CPD
<b>AGENDA ITEM TITLE:</b>	CPD Firing Range Lead Abatement
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	We are scheduling lead abatement at the firing range ahead of the new range construction. We are requesting approval of the mobilization cost of \$35,000.00 to Recoil, LLC. Bartow County has agreed to split the cost of mobilization with us (\$17,500.00). Additionally, the pricing provides for a 50/50 split on removal of lead >1/4" which will be shared between the City and County. Although unbudgeted, the lead abatement is a necessary task before the new construction.
