|---|---|
| MEETING DATE: | September 5, 2024 |
| SUBCATEGORY: | Bid Award/Purchases |
| DEPARTMENT NAME: | Police Department |
| AGENDA ITEM TITLE: | Purchase of Tactical Munitions |
| DEPARTMENT SUMMARY RECOMMENDATION: | <p>To ensure the safety of our officers and the community, we have conducted an inventory of our current stock of tactical munitions, such as defense and chemical aerosols, impact munitions, and flash bangs. These items have a limited shelf life and can only be used for a certain period of time as per the manufacturer's warranty. Many of our current stock has expired or will soon expire, so it is crucial that we update and replace all necessary equipment as soon as possible in the upcoming year.</p> <p>I have attached state contract pricing for the munitions and explanations for each item mentioned. The vendor for these products is Combined Tactical Systems (CTS), and we have two certified team members (Firth and Albright) who can instruct in the use of CTS products. Additionally, the list includes the purchase of a single and multi-round 40mm launcher.</p> |
