<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>An RFP was issued for a Kohler natural gas generator, (2) two automatic transfer switches, and the installation of the bid equipment that closed on 10-31-2022. Nixon Power Services was the only bidder and provided a qualified total bid of \$170,660.00.</p> <p>We are asking for approval to award the bid to Nixon Power Services because of the estimated generator delivery time of 54 weeks.
