|---|--|
| MEETING DATE: | June 3, 2021 |
| SUBCATEGORY: | Bid Award/Purchases |
| DEPARTMENT NAME: | Gas |
| AGENDA ITEM TITLE: | 4" Gas Main Extension Commerce Centre at 75 SP-21-001 |
| DEPARTMENT SUMMARY RECOMMENDATION: | <p>This is for the natural gas main extension at Commerce Centre at 75. Three bids were requested, however only one was received in the amount of \$23,775.00 from Consolidated Pipe & Supply, Inc. of Lawrenceville, Georgia. Attached is a copy of that bid. The labor and materials associated with this project are reimbursable by an Extension Agreement between the City and each of the Developers of these projects. Consolidated Pipe has satisfactorily supplied material to the City numerous times in the past. I recommend the City award this bid to Consolidated. This is not a budgeted item as it is reimbursable.</p> |
