

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	June 5, 2025
<b>SUBCATEGORY:</b>	Contracts/Agreements
<b>DEPARTMENT NAME:</b>	Fire
<b>AGENDA ITEM TITLE:</b>	EPR Systems Records Management Agreement
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>Respectfully request authorization to execute the subscription and license agreement with EPR Systems USA for the implementation of new Records Management Software for the Fire Department.</p> <p>Our current vendor, New World, has indicated they will not meet compliance requirements for NERIS, the federal reporting system that will replace NFIRS effective January 1, 2026. After evaluating available options—and in coordination with Bartow County Fire and Emergency Services—we have selected EPR FireWorks as the preferred solution.</p> <p>This agreement is a necessary step to ensure continued compliance and operational efficiency and is recommended for your approval.</p>
