| MEETING DATE: | May 16, 2024 |
| SUBCATEGORY: | Bid Award/Purchases |
| DEPARTMENT NAME: | Water Department |
| AGENDA ITEM TITLE: | Waterford Sewer Relocation Bid Award |
| DEPARTMENT SUMMARY RECOMMENDATION: | <p>The 36” sewer interceptor in the Waterford subdivision has presented several maintenance problems, and its 36” and 8” aerial creek crossings are significant environmental liabilities for the City.</p> <p>The project includes relocating approximately 787 linear feet of sewer mains and manholes, as well as eliminating the aerial creek crossings and creek bank restoration.</p> <p>The Water Department opened bids for the project on April 11, 2024, from three responsive bidders. Our consulting engineer, Rindt Engineering and Environmental has recommended awarding the contract to the low bidder, HD Excavations and Utilities, of Dallas, GA for a contract price of \$729,320.60. This is the same firm currently under contract with the City for the Grassdale Road Water line relocation project, which is going well at this time.</p> <p>I recommend awarding this project to HD Excavations and Utilities for \$729,320.60. This is a budgeted expense.</p> |
