

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	May 16, 2024
<b>SUBCATEGORY:</b>	Bid Award/Purchases
<b>DEPARTMENT NAME:</b>	Fire
<b>AGENDA ITEM TITLE:</b>	Self-Contained Breathing Apparatus Repair
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>Our Firefighters wear self-contained breathing apparatus (SCBA) to protect their respiratory system during operation that have toxic environments. Annually all SCBA's must be calibrated, and flow test certified per NFPA Standards. During this time repairs and preventive maintenance is also performed. These repairs and certifications are conducted by Municipal Equipment Services. This is a budgeted project. We respectfully request approval of \$11,426.21 to MES as our single source provider for this service and repair.</p>
