| <b>DEPARTMENT NAME:</b>                   | Administration                                                                                                                                                                                                                                                |
| <b>AGENDA ITEM TITLE:</b>                 | Fire Station #5: Early Site Release GMP Estimate                                                                                                                                                                                                              |
| <b>DEPARTMENT SUMMARY RECOMMENDATION:</b> | This is the early site release GMP estimate from Reeves Young to perform site work for Fire Station #5. We are requesting Council approval to move forward with the sitework portion of the project while Reeves Young finalizes the rest of the project GMP. |
