

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	July 7, 2022
<b>SUBCATEGORY:</b>	Bid Award/Purchases
<b>DEPARTMENT NAME:</b>	Water Department
<b>AGENDA ITEM TITLE:</b>	WTP Process Air Compressor
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>The water treatment plant sludge collection and management process uses continuously pressurized air headers and valves. The current air compressor installed for this purpose is inoperable and in need of replacement. We are currently using smaller, temporary compressors for this work.</p> <p>Quotes were solicited from three vendors. The low bid is for \$9,640.00 from Ingersoll Rand. This compressor meets specifications, is available in 4-5 weeks, which is acceptable, and offers a one-year warranty.</p> <p>I recommend purchasing this compressor from Ingersoll Rand for \$9,640.00. This is a budgeted expense to be paid from account 505.3310.52.2361.</p>
