| <b>MEETING DATE:</b>                      | July 21, 2022  |
| <b>SUBCATEGORY:</b>                       | Second Reading of Ordinances   |
| <b>DEPARTMENT NAME:</b>                   | Administration   |
| <b>AGENDA ITEM TITLE:</b>                 | Two-hour Parking Ordinance Amendment   |
| <b>DEPARTMENT SUMMARY RECOMMENDATION:</b> | The city received a request from a local business for four spaces dedicated to two-hour parking along Church Street. After reviewing current ordinances and looking at other areas within or near downtown Cartersville, the request for four two-hour parking spaces makes sense, especially when Cartersville High School is in session; therefore, I recommend approval of the change to the ordinance upon the second reading. |
