

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	April 6, 2023
<b>SUBCATEGORY:</b>	Bid Award/Purchases
<b>DEPARTMENT NAME:</b>	Water
<b>AGENDA ITEM TITLE:</b>	Road Tractor & Dump Trailer
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>The oldest of the two-day cab tractor-trailers used by the Water Pollution Control Plant to transport biosolids to land application sites is a 1998 Kenworth and 1998 East dump trailer. Both the tractor and trailer need to be replaced, as maintenance has become more frequent and expensive for each.</p> <p>The Water Department and Garage solicited and received two bids for replacement vehicles. We recommend approval of the best bid from Peterbilt of Atlanta for the 2024 Peterbilt 567-day cab tractor and MAC 28-foot dump trailer for a total price of \$242,150.00. This is the best bid as it meets or exceeds all bid specifications and the tractor delivery time is 26-30 weeks versus 55 weeks for Nextran. The tractor is the most pressing need for this purchase. The MAC trailer delivery lead time is longer than the East trailer but is \$21,214 less than the East trailer from this vendor.</p> <p>The purchase price will be added to the FY23-24 budget since delivery will not occur until approximately September 2024. Expenses will be charged to account 505.3330.54.2200.</p>
