

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	July 2, 2024
<b>SUBCATEGORY:</b>	Bid Awards/Purchases
<b>DEPARTMENT NAME:</b>	Gas
<b>AGENDA ITEM TITLE:</b>	12-Inch Main Relocation
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>At the Council meeting on June 20, 2024, the City Council approved an easement for the construction of the project mentioned above with specific conditions. One of these conditions required the Gas System to move an existing 12” HP steel natural gas main that would conflict with future improvements to an existing driveway accessing the property owner’s parcel. The Gas System requested proposals for this relocation from three (3) contractors experienced in the construction of natural gas facilities. Two (2) proposals were received, and the lowest proposal of \$96,641.00 was submitted by Southeastern Natural Gas Services of Rome, Inc. of Lindale, Georgia. A tabulation of the proposals is attached. Southeastern Natural Gas Services of Rome, Inc. has successfully completed numerous projects for the Gas System in the past and is fully capable of satisfactorily completing this project. Therefore, the Gas System recommends that the City Council award the construction of this project to Southeastern Natural Gas Services of Rome, Inc. for a total amount of \$96,641.00. This is a budgeted item, and Council’s approval is recommended.</p>
