

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	May 1, 2025
SUBCATEGORY:	Bid Award/Purchases
DEPARTMENT NAME:	Recreation Department
AGENDA ITEM TITLE:	Request for Purchase – Mule Pro-FX 1000 HD Edition
DEPARTMENT SUMMARY RECOMMENDATION:	<p>I am requesting approval to purchase a Mule Pro-FX 1000 HD Edition for the Maintenance Department. This item was included in the budget; however, prices have increased since we originally received quotes several months ago. Although the cost is slightly above the original estimate, savings on other equipment purchases will cover the difference.</p> <p>The lowest quote was provided by Suzuki of Rome at \$16,813.00. This utility vehicle will serve multiple functions and be used for general operations by our Maintenance Department. It will replace an older Cub Cadet unit that is no longer operational.</p>
