<u>Item</u>	<u>Part Number</u> <u>Description</u>	<u>Revision</u>	<u>Quantity</u>	<u>Price</u>
1	AUGER CANOPY FRAME. SMF to fabricate one Auger canopy frame assembly based on information provided. Price includes priming red all structural material (paint nor primer specified in drawings provided) and delivered to site & installed. Please note SMF has based the material price on Galv-Aluminum R panel roofing (commercial) or Sky light material, due to lack of roofing detail. Current drawings call for A6061 T6 Aluminum roof pan but doesn't specify thickness. If these pans are desired, SMF will need more detail to what is needed and requote based on the new information.		1	\$22,000.0000 /EA
Total:				\$22,000.00
