

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	December 7, 2023
<b>SUBCATEGORY:</b>	Bid Award/Purchases
<b>DEPARTMENT NAME:</b>	Public Works
<b>AGENDA ITEM TITLE:</b>	Terrell Heights Stormwater Materials Purchase
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>The Public Works Department is requesting the purchase of concrete pipe, grates, and a headwall. Public Works needs these materials to perform the work necessary to complete the Terrell Heights Phase I Drainage Improvement Project. Previously, this project was bid out for a contractor to perform this work, but there was only one bid, and it was significantly beyond the estimated amount for the project. Therefore, our stormwater crew will self-perform on part of this project where the materials are needed.</p> <p>Three bids were requested for materials, but only one bid was received that was inclusive of all the items needed to be bid on the list at a competitive price. Foley Products Company submitted a bid for all concrete pipes including round as well as arch pipe and associated accessories along with metal grates and a preformed headwall for \$53,300.06. This is a budgeted item to be covered through American Rescue Plan Act funding monies previously received. This project has been determined to help “manage, reduce, and recapture stormwater”. Therefore, this project does meet the requirements for eligibility of use of the ARPA funds.</p> <p>Public Works requests approval of this purchase from Foley Products Company.</p>
