

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	August 3, 2023
SUBCATEGORY:	Contracts/Agreements
DEPARTMENT NAME:	Fire Department
AGENDA ITEM TITLE:	Updated Hydrology Study Proposal
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The Fire Department requests approval for Croft and Associates to complete an updated hydrology study for the new fire station at Carter Grove. The latest study that we are aware of is believed to have been conducted in 2005. We reached out to the original firm, but they have been unable to provide us with the data. The Public Works Superintendent recommended updating the study to include all changes to stormwater regulations and best management practices. The cost of the study is \$12,500.00 and is a budgeted expense.</p>
