Ref : Replacement fingerprint machine for the PD.

I am requesting approval to purchase a replacement fingerprint machine for the PD. Our current fingerprint machine is constantly malfunctioning and is over ten years old. Fibercom personnel requested that we purchase IDEMIA fingerprint machine after doing a lot of research on the different companies. The cost for a fingerprint machine is \$27,634.00.

This is a budgeted item and the E-Verify and E-Save documents have been submitted to the police department and are on file. I am requesting your support and recommendation for this purchase.
