

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	June 11, 2024
SUBCATEGORY:	Bid Award/Purchases
DEPARTMENT NAME:	Public Works
AGENDA ITEM TITLE:	Pothole Patcher Truck
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The Public Works Department is in need of a truck-mounted pothole patcher. After visiting a local roads department who currently has one, the Public Works staff is recommending the purchase of a PB Loader BC-4 Patcher Truck from Environmental Products Group on Georgia State Contract #99999-001-SPD0000177-0009 for \$283,513.00. This 4-yard asphalt hopper is mounted on a Freightliner M2 chassis.</p> <p>Utilizing this asphalt patcher will reduce manpower requirements and increase the capability of asphalt placement in a single day. This unit will be operated by Public Works staff, but will benefit other departments, as most of the asphalt placement by Public Works is for utility repairs.</p> <p>This is not a budgeted item, though it will be purchased through the general fund. Public Works recommends approval to purchase this truck mounted pothole patcher.</p>
