| <b>AGENDA ITEM TITLE:</b>                 | Commercial Solid Waste Truck Lease   |
| <b>DEPARTMENT SUMMARY RECOMMENDATION:</b> | <p>The Solid Waste Division of Public Works has recently had mechanical issues with both of our commercial front-loading garbage trucks and our back-up truck. This week, we did get one of these vehicles back in service. However, to continue serving our commercial customers effectively and to be able to repair our other two vehicles, the Solid Waste Division is proposing the lease of a front leading garbage truck from Premier Sales and Rental, Inc from Cleveland, Ohio for an estimated amount of \$13,200.00. This amount includes lease of the truck, deposit, and delivery. This vehicle is available to be leased immediately.</p> <p>This is a non-budgeted item that will be paid from FY 24 Equipment Lease line item (540-3200-52-2410).</p> <p>Public Works recommends approval to lease this vehicle for 30 days for \$13,200.00.</p> |
