

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	June 20, 2024
SUBCATEGORY:	Engineering Services
DEPARTMENT NAME:	Water
AGENDA ITEM TITLE:	Cherokee Circle Water Line Engineering
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The Water Department has completed the preliminary design of the replacement of approximately 1,900 linear feet of galvanized water main on Cherokee Circle and Indian Trail. It has become apparent that a professional engineering consultant to complete the detailed design and construction management portion of the project is necessary.</p> <p>Sweitzer Engineering was requested to provide Task Order pricing to complete the design, bid phase, and construction management of the project. They have submitted a price of \$91,000.00, which is acceptable to the Water Department, and recommended for your approval.</p> <p>This project expense is budgeted in the FY2024_2025 budget.</p>
