# Dacula Downtown

## Description

The Dacula Downtown Character Area is planned to be a primarily commercial retail growth area of the city. The goal would be to have a livable, walkable city center to attract tourism, support employment of residents and to provide a place for entertainment and recreational opportunities.

## Objectives

- Increase employment opportunities for the citizens of Dacula to match or exceed planned population increases for the City.
- Decrease vehicular traffic by providing access to trails, sidewalks and public transportation.
- Provide an appropriate transition between land uses and intensity.

## Policies

- Allow for higher density, and increase in connectivity, and transportation modal options.
- Encourage the redevelopment of underutilized and/or abandoned/dilapidated properties.
- Balance land use to provide both housing and employment opportunities.

## Implementation Strategies

- Create incentives for developers to integrate comprehensive plan goals, objectives, and policies.

## Land Use and Zoning Consideration

The Dacula Downtown character area is primarily for commercial retail, office, and residential land uses. Zoning change and redevelopment requests should be consistent with a downtown character, including provision of entertainment, locally driven cultural and other community gathering uses. Effort should be made to add connectivity in the road network, add sidewalks and multi-use trails. Multi-use trails should logically connect with planned efforts by the County.
