

MEMO

TO: Mayor and City Council of the City of Dacula
FROM: Brittni Nix, City Administrator
DATE: July 26, 2024
SUBJECT: Amendment to Schedule of Fees

The City of Dacula Fee Schedule is in need of amendment and re-adoption by the City Council.

HB 461 revised the permitted methods for calculating regulatory fees such as building permits. As such, Dacula must amend our building permit fee structure to be compliant with State Law. The proposed methodology is consistent with neighboring jurisdictions and utilizes the International Code Council Building Valuation Data for projects valued over \$75,000. Projects valued under \$75,000 would adhere to a flat fee structure.

All proposed amendments are shown in red on the attached City of Dacula Schedule of Fees for the Mayor and City Council's review.
