SUBJECT: Gateway signage discussion

Mike Reedy with Southeastern Signs, Inc. has been collaborating with the City on a gateway signage project to demarcate entrances into the City and to provide a welcoming feel to those entering. The next step in the project is to determine the appropriate locations to place the signs. Please see below for a list of potential locations:

Phase I

- A. Northern City limits at the intersection of Dacula Road & Hurricane Shoals Road
- B. Southern City limits on Harbins Road (Harbins Landing Estates)
- C. Eastern City limits on Drowning Creek Rd (New Rocks Springs Baptist Church)

Phase II

- D. State Route 316 Eastbound Off-Ramp
- E. State Route 316 Westbound Off-Ramp

Staff is requesting feedback on which locations the Mayor and City Council would like to pursue.
