

**TO:** Mayor and City Council of the City of Dacula  
**FROM:** Brittini Nix, Director of Planning & Economic Development  
**DATE:** June 13, 2022  
**SUBJECT:** Bid package for Maple Creek Park improvements

---

The Maple Creek Park improvements bid documents have been finalized and provided for your review. Improvements include a new shaded playground for school-aged children, shaded toddler playground, shaded swing set, and fitness station. Accessory items include concrete tiered steps with handrails, benches, picnic table, trash receptacle, and stormwater improvements.

The proposed improvements have an estimated OPCC (Opinion of Probable Construction Cost) of \$672,297.51. This project is fully funded by the City's beautification, parks and recreation endowment fund.

Staff requests the Mayor and City Council approve the bid package as provided and grant authorization to solicit for public bids.

Best Regards,

Brittini Nix, Director of Planning & Economic Development
