FROM: Brittni Nix, City Administrator
DATE: July 3, 2024
SUBJECT: Gateway signage discussion

Staff has been gathering information on establishing gateways for discussion purposes. Gateways typically consist of signage and landscaping along major roadways that demarcate entrance into the City and provide a welcoming to feel to those entering. Mike Reedy with Southeastern Signs, Inc. will be presenting preliminary gateway signage designs consistent with the City branding standards for discussion purposes and feedback.

Monies are available for gateway signage using the Wilbanks Endowment Fund.
