

MEMO

TO: Mayor and City Council of the City of Dacula
FROM: Brittni Nix, City Administrator
DATE: April 25, 2024
SUBJECT: Security cameras for Maple Creek Park

There has been an increasing amount of vandalism at Maple Creek Park. Installing additional security cameras within Maple Creek Park would increase security, assist law enforcement with identification, and deter future offenses by reducing blind spots.

Staff researched installing security cameras and determined the electrical infrastructure at Maple Creek Park would require improvements to support the additional security camera system. As such, staff has procured a quote from Kellar Security to install three (3) PTZ cameras, and one (1) fixed camera for (\$6,220) and a quote from Electrical Pros to provide the required electrical infrastructure (\$14,843). The provided quotes are all inclusive. The total project cost is \$21,063.

2017 SPLOST Recreation funds would be utilized to fund the project. Staff recommends authorizing a not to exceed amount of \$21,063 for the security camera installation project to install the security camera equipment and electrical improvements as proposed.
