

**TO:** Mayor and City Council of the City of Dacula  
**FROM:** Brittni Nix, City Administrator  
**DATE:** February 24, 2023  
**SUBJECT:** Ordinance to amend Chapter 26 – Vehicles and Traffic

---

The City has received multiple complaints about trucks utilizing residential roads throughout the City. Specifically, nearby construction projects are generating increased truck traffic along Tanner Road.

Staff recommends amending the current ordinance to address citizen concerns and to increase enforceability for the Marshal's Department. The provided Amendments include, but are not limited to:

- Remove Tanner Road, Broad Street, and McMillan Road from the designated truck route, as these formerly approved truck routes are no longer safe for such traffic.
- Authorize the City Administrator to designate and post notices regarding appropriate truck prohibition signs.
- Characterize trucks by length and number of wheels as opposed to weight. The subject descriptors will assist with enforcement.

Staff recommends approving the provided Ordinance to amend Chapter 26 - Vehicles and Traffic effective immediately.
