

For the City of: \_\_\_\_\_ Completed By: \_\_\_\_\_ Date: \_\_\_\_\_

Please indicate the quantities required in the Quantity Requested column.

<b>Election Equipment</b>	<b>Quantity Requested</b>	<b>Quantity Returned</b>
<b>BMD (Ballot Marking Device) Unit</b> <i>Includes power cord, privacy panel, and printer cords.</i>		
<b>UPS Battery back-up for BMDs</b> <i>Includes hand cart. One for each 2 BMDs requested.</i>		
<b>ICP (ImageCast Precinct) Scanner</b> <i>Includes ballot bin, power cord.</i>		
<b>Absentee Ballot Drop Box</b> <i>Includes 1 set of keys for the drop box. Verify the key works when picking up. This will need your municipal branding on the drop box.</i>		

<b>Miscellaneous Necessary Components</b>	<b>Quantity Requested</b>	<b>Quantity Returned</b>
<b>ATI (Audio Tactile Interface)</b> <i>Contains the keypad and headphones. (Only if using BMD units)</i>		
<b>Voter Access Cards (Only if using BMD units)</b>		
<b>Poll Worker Card (Only if using BMD units)</b>		
<b>Technician Card (Only if using BMD units)</b>		
<b>Keys for ICP Unit (Only if using ICP scanners) (Max of 2 per ICP)</b> <i>Includes security i-button and key.</i>		
<b>* ICP Compact Flash Memory Cards (Only if using ICP scanners)</b> <i>Each ICP requires 2 memory cards. If reusing the same ICP for multiple processes (Election Day, Advance In-Person, etc.) you will need a set for each process</i>		

\* This number should be the total number of memory cards being requested, not the number of pairs.
