SUBJECT: Bid package for Brookton Place subdivision improvements

The Brookton Place Subdivision Asphalt Milling and Repaving Project bid documents have been finalized and provided for your review. The project scope includes:

- Asphalt deep patch mill sections of road experiencing asphalt failures. Deep patch milled areas will be filled with 4” of 25 mm Superpave Asphalt.
- Milling and repaving the entire road length to be flush with the existing gutter line.
- Replacing damaged sections of sidewalk, curb, gutter, and driveway aprons as identified on the construction plans.
- Thermoplastic stop bar striping and crosswalk striping at subdivision egress.
- Sod disturbed areas.

The proposed improvements have an estimated OPCC (Opinion of Probable Construction Cost) of \$1,089,893.18 dated September 22, 2023. Staff has submitted this project to receive Local Maintenance Improvement Grant (LMIG) funding of \$82,433.37. The remainder of the project will be funded with SPLOST.

Staff requests the Mayor and City Council approve the bid package as provided and grant authorization to solicit for public bids.
