

TO: Mayor and City Council of the City of Dacula
FROM: Brittni Nix, City Administrator
DATE: September 27, 2023
SUBJECT: Brookton Place Subdivision FFY-2024 LMIG Application

The roads within the Brookton Place subdivision have deteriorated and are experiencing asphalt failures. As such, staff recommends utilizing the FFY-2024 Local Maintenance and Improvement Grant (LMIG) monies (\$82,433.37) to make asphalt pavement improvements to the 1.65 miles of road within the subdivision. Said improvements are anticipated to include 6" deep patch milling sections of asphalt failures, standard 2 1/2" asphalt milling, asphalt repaving, replacing street signage, and restriping. The listed corrections would serve to bridge insufficient subsurface soil conditions while correcting failures in the existing roadway. The OPCC (Opinion of Probable Construction Cost) with 15% contingency totals \$1,089,893.18.

Staff requests a motion from Council to authorize the Mayor to sign and submit the FFY-2024 LMIG Application to the Georgia Department of Transportation for their consideration.
