TO HAVE AND TO HOLD the Project and all parts, rights, members and appurtenances thereof, to the use, benefit and behoof of Secured Party, IN FEE SIMPLE forever; and Originator covenants that Originator is lawfully seized of the Project as aforesaid and has good right to convey the same, that the same are unencumbered except for those matters expressly set forth as exceptions in Exhibit "D" hereto, and Originator does warrant and will forever defend the title thereto against the claims of all persons claiming through it, except as to the matters set forth as exceptions in Exhibit "D" hereto.

1.03. THIS INSTRUMENT is a deed passing the title to the Project to Secured Party and is made under the laws of the State of Georgia relating to deeds to secure debt, and is not a mortgage, and is given to secure the payment of the following described obligations (collectively, the "Obligations"): (a) the payment of all the obligations of City of Dallas, Georgia, a municipal corporation of the State of Georgia (the "City") described in the Installment Sale Agreement (defined below in this paragraph), notwithstanding the termination of the Installment Sale Agreement or the invalidity of the Installment Sale Agreement as to the City in whole or in part; the Installment Sale Agreement is in the principal amount of TWO MILLION TWO HUNDRED FIVE THOUSAND DOLLARS (\$2,205,000) and may be renewed on an annual basis for a term through June 1, 2029, together with all renewals, modifications, consolidations, replacements and extensions thereof; and (b) any and all additional advances made or costs or expenses incurred by Secured Party to protect or preserve the Project or the security interest created hereby, or for taxes, assessments or insurance premiums as provided in the Installment Sale Agreement, or for performance of any of Originator's obligations hereunder or for any purpose referred to in Section 2.03 hereof, or for any other purpose provided herein (whether or not the original Originator remains the owner of the Project at the time of such advances are made or costs or expenses incurred). For purposes of this Instrument, the term "Installment Sale Agreement" shall mean the Installment Sale Agreement of even date herewith by and between Originator and the City, which has been assigned by Originator to Secured Party pursuant to the Assignment and Transfer Agreement of even date herewith by and between the Originator and the Secured Party (the "Transfer Agreement"); and the term "Documents" shall mean this Instrument, the Transfer Agreement, the Installment Sale Agreement, the Agreement Regarding Environmental Activity of even date herewith by the City in favor of the Originator and the Secured Party (the "Environmental Agreement") and any other documents to or of which Secured Party, the Originator or the City is a party or beneficiary now or hereafter evidencing, securing or otherwise relating to the Obligations or the Project. This Instrument is expressly made prior and senior to the Installment Sale Agreement and to the conveyance of the Project made pursuant thereto.

1.04. SHOULD THE OBLIGATIONS BE PAID according to the tenor and effect thereof when the same shall become due and payable, and should Originator perform all covenants herein contained in a timely manner, then this Instrument shall be canceled and surrendered.

NOTWITHSTANDING ANYTHING HEREIN OR IN THE OTHER DOCUMENTS OR CLOSING DOCUMENTS TO THE CONTRARY, THE LIABILITY OF ORIGINATOR WITH

RESPECT TO ITS OBLIGATIONS HEREUNDER OR THEREUNDER SHALL BE LIMITED TO ITS INTEREST IN THE PROJECT, AND NO PERSONAL LIABILITY OR RESPONSIBILITY, WHETHER EXPRESS, IMPLIED, OR ARISING BY OPERATION OF LAW, IS ASSUMED BY ORIGINATOR, NOR SHALL ANY PERSONAL LIABILITY OR RESPONSIBILITY BE ASSERTED OR ENFORCEABLE AGAINST THE UNDERSIGNED, ALL SUCH PERSONAL LIABILITY OR RESPONSIBILITY BEING HEREBY EXPRESSLY WAIVED BY SECURED PARTY. Originator agrees that Secured Party and Obligor may extend, modify, forbear, or make any other accommodations with regard to the terms of this Instrument or the Obligations without Originator's consent and without releasing the Originator hereunder or modifying or affecting this Instrument as to such Originator's interest in the Project.

COVENANTS AND AGREEMENTS

2.01. Security Agreement. This Instrument is hereby made and declared to be a security agreement encumbering each and every item of personal property included herein as a part of the Project, in compliance with the provisions of the Uniform Commercial Code as enacted in the jurisdiction applicable thereto (the "Code"). The remedies for any violation of the covenants, terms and conditions of the security agreement contained in this Instrument shall be as prescribed herein, or as prescribed by general law, or as prescribed by the Code, all at Secured Party's election in the discretion of Secured Party. Any notice of sale, disposition or other action by Secured Party with respect to personal property which is a part of the Project sent to Originator in accordance with the provisions hereof relating to communications at least ten (10) days prior to such action shall constitute adequate and reasonable notice to Originator of such action. The mention in any financing statement or statements of rights in and to (a) the proceeds of any insurance policy, or (b) any award in eminent domain proceedings for a taking or for loss of value, or (c) Originator's interest as lessor in any present or future lease or rights to income growing out of the use and/or occupancy of the Project, whether pursuant to a lease or otherwise, shall not in any way limit any of the rights of Secured Party as determined by this Instrument or affect the priority of Secured Party's security interest granted hereby or by any other recorded document, it being understood and agreed that such mention in such financing statement or statements is solely for the protection of Secured Party in the event any court shall at any time hold with respect thereto, that notice of Secured Party's priority of interest, to be effective against all persons or against a particular class of persons, must be filed in the Code records. The names of the "Debtor" and the "Secured Party" (which are Originator and Secured Party, respectively), the address of the "Secured Party" from which information concerning the security interest may be obtained, and the address of "Debtor," are as set forth in Section 4.04, hereof; and a statement indicating the types, or describing the items, of collateral is set forth hereinabove. Originator agrees to furnish Secured Party with notice of any change in the name, identity, residence, principal place of business or mailing address of Originator within ten (10) days of the effective date of any such change.

2.02. Further Assurances: After-Acquired Property. Originator shall, and shall cause the City to, execute and/or deliver (and pay the costs of preparation and recording thereof) to Secured Party, upon demand, any further instrument or instruments so as to evidence, reaffirm, correct, perfect, continue or preserve the obligations of Originator or the City under the Documents, the collateral at any time securing or intended to secure the Documents, and the first and prior legal security title and interest of Secured Party to all or any part of the Project, whether now owned or

hereafter acquired by Originator or the City. Upon any failure of Originator or the City so to do, Secured Party may make, execute, record, file, re-record and/or re-file any and all such instruments for and in the name of Originator or the City, and Originator hereby, and shall cause the City to, irrevocably appoint Secured Party agent and attorney-in-fact to do so. The security title of this Instrument and the security title created hereby will automatically attach, without further act, to all after-acquired property attached to or used in the operation of the Project or any part thereof.

2.03. Expenses. There shall be included in the Obligations secured hereby all costs and expenses of any kind (including fees of attorneys, auditors, appraisers and inspectors) paid or incurred by Secured Party relating to the Obligations or the Documents, including those paid or incurred in connection with the commitment, negotiation, documentation, preparation, closing, disbursement, or administration of the Obligations or any one or more of the Documents, or in connection with the collection of any insurance or other proceeds or enforcement of any rights of Secured Party under or relating to this Instrument or the other Documents, including the costs of any suits or proceedings or disputes of any kind in which Secured Party is made or appears as a party plaintiff or defendant or which are, in the judgment of Secured Party, expedient to preserve or protect its interest in the Project (including condemnation, insolvency, bankruptcy or probate proceedings, administrative proceedings, proceedings relating to enforcement of laws or regulations, forfeiture proceedings, and appeals at all levels of appeal, whether before or after entry of judgment or other determination). There shall be included in the Obligations secured hereby all interest and penalties owing on account of the Obligations or any one or more of the Documents, including any interest or penalties arising on account of failure or delay in payment of any of the items referred to in this provision. There shall be included in the Obligations secured hereby all costs and expenses (including reasonable attorney's fees and fees of auditors, appraisers and inspectors) in connection with the collection of the Obligations, or any portion thereof, after maturity (whether in due course or by acceleration). All such costs, expenses, penalties and interest paid or incurred by Secured Party shall be considered due and payable immediately upon their incurrence.

2.04. Conveyance or Encumbrance. The Originator (except to the City as contemplated by the Installment Sale Agreement) shall not encumber, pledge, convey, transfer or assign any or all of its interests in the Project, or execute or consent to any instrument or matter which might affect the title to the Project, or acquire any portion of the personal property covered by this Instrument subject to any charge or lien, without the prior written consent of Secured Party, which consent shall be given or withheld by Secured Party at its discretion.

2.05. Condemnation. Upon condemnation of the Project or any part thereof, this Instrument shall become a lien, charge and encumbrance upon the proceeds or award realized as a result of any such proceeding or of any settlement or payment made in lieu of any such proceeding ("Condemnation Proceeds"). Originator hereby grants to Secured Party a security interest in any Condemnation Proceeds and hereby agrees to execute such further assignments of the Condemnation Proceeds as Secured Party may require. Originator further covenants and agrees that Secured Party may (and is hereby authorized and empowered but not required to) collect and receive any Condemnation Proceeds and, if received by Originator, it shall pay over and deliver immediately to Secured Party all Condemnation Proceeds to be held by Secured Party and applied as follows: In the event the entire Project shall be taken by condemnation or in settlement of any

threat of condemnation, then any Condemnation Proceeds shall be paid to Secured Party and applied in payment in whole or in part to the Obligations, whether or not then due and payable, and any excess shall be delivered to the parties legally entitled thereto. In the event of a partial taking of the Project, the portion of the Condemnation Proceeds necessary to prevent impairment of the security of this Instrument, as determined by Secured Party in Secured Party's sole discretion, shall be set aside, withheld or paid over to Secured Party and applied to the Obligations, whether or not then due and payable, and the excess of such award or proceeds shall be delivered to Originator or other parties legally entitled thereto. Upon any partial taking of the Project, this Instrument shall continue in full force as security for the unpaid portion of the Obligations.

DEFAULT AND REMEDIES

3.01. Defaults. The term "Default," wherever used in this Instrument, shall mean any one or more of the following events: (a) a failure in payment of any portion of the Obligations; or (b) the breach or failure by Originator or the City to perform, observe and satisfy all other terms, covenants, conditions and agreements contained in this Instrument or in any of the other Documents and the continuance thereof for a period of thirty (30) days after the giving of notice thereof by the Secured Party to the Originator and the City (which notice may be given as provided in the Installment Sale Agreement); or (c) any warranty or representation of Originator or the City contained in this Instrument or in any other of the Documents, or any material information relating to the Obligations or the Documents given to Secured Party by the City or Originator, or by any other party on behalf of or at the request of Originator or the City, being untrue or misleading in any material respect; or (d) a levy shall be made under any process on the Project or any part thereof; or (e) the assertion of any claim of priority to this Instrument, by title, lien or otherwise in any legal or equitable proceeding; or (f) the City commences the process of liquidation or dissolution, or its statutory authority is revoked; or (g) the subjection of the Project to actual or threatened waste, or the removal, demolition, or alteration of any part thereof without the prior written consent of Secured Party; or (h) any mechanic's, materialmen's, laborer's, statutory or other lien is filed against the Project or any portion thereof and not totally released or removed as a lien against the Project and every part thereof (by bonding, payment or otherwise) within thirty (30) days after the date of filing thereof; or (i) any suit shall be filed against Originator or the City which, if adversely determined, could reasonably be expected substantially to impair the ability of Originator or the City to perform each and every one of its obligations under the Documents; or (j) all or any substantial portion of the Project shall be taken through condemnation, or any portion of the Project shall be damaged by or taken through condemnation and the value thereof shall, in the discretion of Secured Party, be materially diminished, either temporarily or permanently; or (k) the occurrence of an Event of Default or an Event of Nonappropriation under the Installment Sale Agreement; or (l) the failure of this Instrument to grant to Secured Party a valid, binding and enforceable first lien on and/or security title in and to the Project, or the failure of any one or more of the Documents to be legal, valid, binding upon and enforceable against all parties thereto (other than Secured Party), or the claim by any party (other than Secured Party) to any one or more of the Documents that any one or more of the Documents is not legal, valid, binding upon and enforceable against all parties thereto (other than Secured Party).

3.02. Rights of Secured Party Upon Default. If a Default shall have occurred, then all of the Obligations shall, at the option of Secured Party, immediately be deemed due and payable without notice or demand, time being of the essence, and Secured Party, at its option, may do any one or more of the following (and, if more than one, either concurrently or independently, and in such order as Secured Party may determine in its discretion), in addition to its other remedies under the Documents, all without regard to the adequacy or value of the security for the Obligations:

(a) Enter upon and take possession of the Project without the appointment of a receiver, or an application therefor; at its option, operate the Project; at its option, exclude Originator, the City and their agents, employees and assigns wholly therefrom; at its option, employ a managing agent of the Project; and at its option, exercise any one or more of the rights and powers of Originator to the same extent as Originator could, either in its own name, or in the name of Originator; and receive the rents, incomes, issues and profits of the Project. Secured Party shall have no obligation to discharge any duties of a landlord to any Tenant or to incur any liability as a result of any exercise by Secured Party of any rights hereunder; and Secured Party shall not be liable for any failure to collect rents, issues, profits or revenues, nor liable to account for any rents, issues, profits or revenues unless actually received by Secured Party.

(b) Apply, as a matter of strict right, without notice and without regard to the solvency of any party bound for its payment, for the appointment of a receiver to take possession of and to operate the Project and to collect and apply the incomes, rents, issues, profits and revenues thereof.

(c) Pay, perform or observe any term, covenant or condition of this Instrument and any of the other Documents and all payments made or costs or expenses incurred by Secured Party in connection therewith shall be secured hereby. The necessity for any such actions and the amounts to be paid shall be determined by Secured Party in its discretion. Secured Party is hereby empowered to enter and to authorize others to enter upon the Project or any part thereof for the purpose of performing or observing any such defaulted term, covenant or condition without thereby becoming liable to Originator, the City or any person in possession holding under Originator or the City. Originator hereby acknowledges and agrees that the remedies set forth in this Paragraph 3.02(c) shall be exercisable by Secured Party, and any and all payments made or costs or expenses incurred by Secured Party in connection therewith shall be secured hereby.

(d) Sell the Project or any part of the Project at one or more public sale or sales at the usual place for conducting sales of the City in which the Land or any part of the Land is situated, to the highest bidder for cash, in order to pay the Obligations, and all expenses of sale and of all proceedings in connection therewith, including reasonable attorney's fees, after advertising the time, place and terms of sale once a week for four (4) weeks immediately preceding such sale (but without regard to the number of days) in a newspaper in which sheriff's sales are advertised in said City, all other notice being hereby waived by Originator. At any such public sale, Secured Party may execute and deliver to the purchaser a conveyance of the Project or any part of the Project in fee simple, with full warranties of title, and to this end Originator hereby constitutes and appoints Secured Party the agent and

attorney-in-fact of Originator to make such sale and conveyance, and thereby to divest Originator and the City of all right, title and equity that Originator or the City may have in and to the Project and to vest the same in the purchaser or purchasers at such sale or sales, and all the acts and doings of said agent and attorney-in-fact are hereby ratified and confirmed, and any recitals in said conveyance or conveyances as to facts essential to a valid sale shall be binding upon Originator. The aforesaid power of sale and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise, and shall not be exhausted by one exercise thereof but may be exercised until full payment of all of the Obligations. In the event of any sale under this Instrument by virtue of the exercise of the powers herein granted, or pursuant to any order in any judicial proceeding or otherwise, the Project may be sold as an entirety or in separate parcels and in such manner or order as Secured Party in its discretion may elect, and if Secured Party so elects, Secured Party may sell the personal property covered by this Instrument at one or more separate sales in any manner permitted by the Code, and one or more exercises of the powers herein granted shall not extinguish nor exhaust such powers, until the entire Project is sold or the Obligations are paid in full. Secured Party may, at its option, sell the Project subject to the rights of any tenants of the Project, and the failure to make any such tenants parties to any foreclosure proceedings and to foreclose their rights will not be asserted by Originator to be a defense to any proceedings instituted by Secured Party to collect the Obligations. If the Obligations are now or hereafter further secured by any chattel mortgages, pledges, contracts of guaranty, assignments of lease or other security instruments, Secured Party may at its option exhaust the remedies granted under any of said security either concurrently or independently, and in such order as Secured Party may determine in its discretion. Upon any foreclosure sale, Secured Party may bid for and purchase the Project and shall be entitled to apply all or any part of the Obligations as a credit to the purchase price. In the event of any such foreclosure sale by Secured Party, Originator shall be deemed a tenant holding over and shall forthwith deliver possession to the purchaser or purchasers at such sale or be summarily dispossessed according to provisions of law applicable to tenants holding over. In case Secured Party shall have proceeded to enforce any right, power or remedy under this Instrument by foreclosure, entry or otherwise or in the event Secured Party commences advertising of the intended exercise of the sale under power provided hereunder, and such proceeding or advertisement shall have been withdrawn, discontinued or abandoned for any reason, then in every such case (i) Originator and Secured Party shall be restored to their former positions and rights, (ii) all rights, powers and remedies of Secured Party shall continue as if no such proceeding had been taken, (iii) each and every Default declared or occurring prior or subsequent to such withdrawal, discontinuance or abandonment shall be deemed to be a continuing Default, and (iv) neither this Instrument, nor the Obligations, nor any other Document shall be or shall be deemed to have been reinstated or otherwise affected by such withdrawal, discontinuance or abandonment; and Originator hereby expressly waives the benefit of any statute or rule of law now provided, or which may hereafter be provided, which would produce a result contrary to or in conflict with this sentence.

(e) Secured Party may apply any moneys and proceeds received by Secured Party as a result of the exercise by Secured Party of any right conferred under this Section 3.02 in such order as Secured Party in its discretion may elect against (i) all costs and

expenses, including reasonable attorneys' fees, incurred in connection with the operation of the Project, the performance of the lessor's obligations under the Leases and the collection of the rents thereunder; (ii) all costs and expenses, including reasonable attorneys' fees, incurred in the collection of any or all of the Obligations, including those incurred in seeking to realize on or to protect or preserve Secured Party's interest in any other collateral securing any or all of the Obligations; (iii) any or all unpaid principal on the Obligations; (iv) any other amounts owing under the Documents; and (v) accrued interest and charges on any or all of the foregoing. Any residual after such application shall be paid to the City.

GENERAL CONDITIONS

4.01. No Waiver: Remedies Cumulative. No delay or omission by Secured Party to exercise any right, power or remedy accruing upon any Default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such Default, or acquiescence therein, and every right, power and remedy given by this Instrument to Secured Party may be exercised from time to time and as often as may be deemed expedient by Secured Party. No consent or waiver, expressed or implied, by Secured Party to or of any Default shall be deemed or construed to be a consent or waiver to or of any other Default. No delay, indulgence, departure, act or omission by Secured Party shall release, discharge, modify, change or otherwise affect the obligations of Originator or the City or any subsequent purchaser of the Project or any part thereof, or preclude Secured Party from exercising any right, privilege or power granted herein or alter the security title, security interest or lien hereof. No right, power or remedy conferred upon or reserved to Secured Party hereunder is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or under the other Documents or now or hereafter existing at law, in equity or by statute.

4.02. No Obligation to Third Parties. The Documents are made solely for the benefit of Secured Party. No tenant nor any party involved with the construction of any improvements on any part of the Project nor any other party whatsoever shall have standing to bring any action against Secured Party as the result of the Documents, or to assume that Secured Party will exercise any remedies provided herein, and no party other than Secured Party shall be deemed to be a beneficiary of any provision of the Documents, any and all of which may be freely waived in whole or in part by Secured Party in its discretion at any time. Nothing contained in the Documents shall be deemed to impose upon Secured Party any liability for the performance of any obligation of Originator under any of the Documents, Leases or Contracts. Nothing contained in this Section 4.02 is intended to deprive Originator or the City of the benefit of any covenant by Secured Party in favor of Originator or the City contained in the Documents.

4.03. Miscellaneous. This Instrument shall inure to the benefit of and be binding upon Originator and Secured Party and their respective heirs, executors, legal representatives, successors, successors-in-title and assigns, subject to all restrictions on transfers herein. The Documents (and any interest therein) are assignable by Secured Party, and any assignment of the Documents by Secured Party shall operate to vest in the assignee all rights and powers conferred upon and granted to Secured Party by the Documents; and, in the event of any such assignment of the entire interest of Secured Party in the Documents, Secured Party shall be relieved of all obligations and liabilities under the Documents; the Documents may not be assigned by Originator without the prior consent of Secured Party, which may be given or withheld at the discretion of Secured Party. Reasonable notice of such assignment shall be given to the City. The Documents may be changed, waived, discharged or terminated only by an instrument in writing signed by the party against whom enforcement of such change, waiver, discharge or termination is sought. The Documents contain the entire agreement between Originator and Secured Party and between the Originator and the City relating to the transactions contemplated hereby and supersede entirely any and all prior written or oral agreements with respect thereto; and Originator and Secured Party hereto acknowledge and agree that there are no contemporaneous oral agreements with respect to the subject matter hereof. Nothing contained in the Documents shall be construed to create an agency, partnership or joint venture between Originator, the City and Secured Party. All personal pronouns used in the Documents whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural, and vice versa. Titles of articles and sections in the Documents are for convenience only and in no way define, limit, amplify or describe the scope or intent of any provisions thereof. If more than one person or entity constitutes Originator, all of the provisions of the Documents referring to Originator shall be construed to refer to each such person or entity individually as well as collectively. When anything is described in the Documents in general terms and one or more examples or components of what has been described generally is associated with that description (whether or not following the word "including"), the examples or components shall be deemed illustrative only and shall not be construed as limiting the generality of the description in any way. Wherever in the Documents the approval or consent of Secured Party is required or permitted, or wherever a requirement of Secured Party or the standard of acceptability or satisfaction of Secured Party must be determined, such approval, consent or determination of Secured Party shall not be unreasonably exercised; provided, however, that wherever it is indicated that such approval, consent or determination is to be given or made at the option or in the discretion or judgment of Secured Party, then Secured Party may grant or withhold such approval or consent or make such determination without restriction in its sole and absolute discretion. If any provisions of the Documents or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of each of the Documents and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law. Time is of the essence with respect to each and every covenant, agreement and obligation of Originator under the Documents. All exhibits referred to in the Documents are by such reference incorporated into the Documents as if fully set forth therein.

4.04. Communications. Unless and except as otherwise specifically provided herein, any and all notices, elections, approvals, consents, demands, requests and responses thereto (“Communications”) permitted or required to be given under the Documents shall be in writing, signed by or on behalf of the party giving the same, and shall be deemed to have been properly given and shall be effective upon the earlier of receipt thereof or deposit in the United States mail, postage prepaid, certified with return receipt requested to the other party at the address of such other party set forth hereinbelow or at such other address within the continental United States as such other party may designate by notice specifically designated as a notice of change of address and given in accordance herewith; provided, however, that the time period in which a response to any such Communication must be given shall commence on the date of receipt thereof; and provided further that no notice of change of address shall be effective with respect to Communications sent prior to the time of receipt thereof. Receipt of Communications under the Documents shall occur upon actual delivery (whether by mail, telecopy transmission, messenger, courier service, or otherwise) to any person who is Originator or an officer or general partner of Originator at any location where such person may be found, or to an officer, partner, agent or employee of Originator or Secured Party, at the address of such party set forth hereinbelow, subject to change as provided hereinabove. An attempted delivery in accordance with the foregoing, acceptance of which is refused or rejected, shall be deemed to be and shall constitute delivery; and an attempted delivery in accordance with the foregoing by mail, messenger, or courier service (whichever is chosen by the sender) which is not completed because of changed address of which no notice has been received by the sender in accordance with this provision shall also be deemed to be and constitute receipt.
