**NOW, THEREFORE, BE IT RESOLVED** by the Governing Body of the Issuer and it is hereby resolved by authority of the same, as follows:

In case any officer whose signature shall be affixed to the Note or who shall have sealed the Note shall cease to be such officer before the Note so signed and sealed shall have been actually delivered, the Note, nevertheless, shall be a valid Note of the Issuer and may be delivered as such notwithstanding the fact that such officer or officers may have ceased to be such officer or officers of the Issuer when the Note shall be actually delivered.
- 3. Approval of Form of Note. The Note as initially issued shall be issued in substantially the form attached hereto as Exhibit 1 with such changes, insertions or omissions as may be approved by the Mayor of the Issuer, and the execution and delivery of the Note shall be conclusive evidence of such approval.

The indebtedness to be evidenced by the Note is a general obligation of the Issuer, and the full faith and credit of the Issuer are hereby pledged to secure the payment of the principal of and interest on the Note.
- 6. <u>Authentication of Note</u>. Only such Note as shall have endorsed thereon a certificate of authentication substantially in the form hereinabove set forth duly executed by the Note Registrar shall be deemed to be validly issued hereunder. No Note shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been executed by the Note Registrar, and such executed certificate of the Note Registrar upon any such Note shall be conclusive evidence that such Note has been authenticated and delivered hereunder. Said certificate of authentication on any Note shall be deemed to have been executed by the Note Registrar if signed by an authorized officer or signatory of the Note Registrar.

If the Note shall have matured, instead of issuing a new Note, the Issuer may pay the same.
- 10. <u>Prepayment</u>. The Note may be prepaid at the option of the Issuer in whole, but not in part, at any time prior to maturity at a prepayment price equal to the outstanding principal amount of the Note plus accrued interest to date of prepayment.
