Motion to recommend the approval of Annexation Application A-2025-04.

Motion made by Johnson, Seconded by Ayers.

Voting Yea: Holt, Johnson, Ayers, Callahan

Motion to recommend the approval of Zoning Application Z-2025-07 with the following stipulations:

1. Development shall be constructed in substantial conformity to the site plan provided in zoning application.
2. Owner/developer shall provide a minimum 20-foot planted or natural (where possible) buffer around the site perimeter and a minimum 20-foot-wide landscape area adjacent to public roads or right-of-way. Buffers and landscape areas shall be designated as common areas controlled by a Homeowner's Association.
3. Owner/developer is responsible for adhering to and providing full compliance with the landscaping standards found in Chapter 7 of the city's Unified Development Code, including but not limited to professionally landscaped entrances, common areas, buffer areas, and amenities areas.
4. Owner/developer shall comply, design, and construct all roadway and development entrance improvements and/or transportation improvements as required by Georgia Department of Transportation and/or Paulding County Department of Transportation and/or City of Dallas for access.
5. Owner/developer shall comply, design, and construct all offsite sanitary sewer system and/or water system improvements and/or upgrades required by Paulding County Water System for servicing the proposed development.
6. The Developer shall install, operate, and maintain a complete Automated License Plate Reader (ALPR) system at each entrance at its sole cost and expense. The Developer must grant immediate and unfettered access to all ALPR data and live feeds to the Dallas Police Department. The system must comply with all applicable federal, state, and local laws, and the Dallas Police Department's established policies and procedures.
 1. Installation & Maintenance: Developer is responsible for all costs related to procurement, installation, maintenance, software access, data hosting, and support of the ALPR system.

2. System Specifications: The system, including camera locations, power sources, and data storage mechanisms, must meet the technical specifications and approval of the Dallas Police Department.
 3. Law Enforcement Access & Use: Legal ownership and control of the data reside with the Dallas Police Department, and the Developer shall ensure seamless integration and access for law enforcement personnel for public safety and investigative purposes.
 7. A Homeowners Association shall be required for the Town Home development in its entirety. The Homeowners Association shall be created and enacted as part of final platting process for any development phase. Homeowners Association shall require mandatory membership.
 8. A Property Management Association shall be required for the C-2 commercial development in its entirety. The Property Management Association shall be created and enacted as part of final platting process for any development phase. Property Management Association shall include all commercial zoned property mandatory.
 9. Owner/developer shall supply for City of Dallas approval, detailed architectural elevation design plans for front, left side, right side, and rear of townhomes for each townhome to be constructed. All townhomes, buildings, or other structures shall comply with standards set forth in the city's ordinance codes.
 10. Owner/developer shall supply for City of Dallas approval, detailed architectural elevation design plans for front, left side, right side, and rear of commercial buildings for each commercial building to be constructed. All buildings, or other structures shall comply with standards set forth in the city's ordinance codes.
 11. Owner/developer shall provide written notice of concurrence stating noted impact have been satisfied from all entities found in the Fiscal Impact Analysis including but not limited to Paulding County School System, Paulding County Department of Transportation, Paulding County Water System, Paulding County Sheriff's Office, Paulding County Fire Department, Georgia Department of Transportation, City of Dallas Police Department and Solid Waste Department, Greystone Power/GA Power Company, Comcast, AT&T, Southern Company Gas, and any additional utility provider located in and servicing the development area.
 12. Ownership and Rental Restrictions (Revised Staff Recommendation No.12): Prior to or concurrent with approval of the preliminary plat, the Owner/Developer shall provide to the City a legally binding instrument, in a form acceptable to the City Attorney, establishing the ownership and rental structure for the subject development. Such instrument shall irrevocably elect and enforce one (1) of the following development options:
 - a. **For-Rent Community Option:** The development shall be established and maintained as a one hundred percent (100%) for-rent townhome community, owned and operated under the unified control of a single ownership entity and/or management company. Individual unit sales shall be prohibited.
- OR**
- b. **For-Sale Community with Rental Cap Option:** The development shall be established as a for-sale townhome community. Rental of units shall be limited to no more than ten percent (10%) of the total number of units within the development, not to exceed seventeen (17) units based on the approved maximum of one hundred seventy-five (175) units.

The option selected by the Owner/Developer in the required legal instrument shall be incorporated into the homeowners' association (HOA) covenants, conditions, and restrictions (CC&Rs) and/or bylaws, as applicable, and shall be recorded with the final plat. Such provisions shall run with the land and be binding on all successors and assigns.

Motion made by Johnson, Seconded by Ayers.
