March Public Works Report - Utilities

---

**COMMENTS:**

Project Update:

- 1- Pumpkinvine Creek WPCP Sludge Dryer –Dryer is currently in operation. FS 360 is working to complete project punch list. City is working to complete project close out.
- 2- West Dallas Collector Sewer Extension Project - Project construction bid for Phase I has been Let. Current bid date is April 14th 2022 @ 2:00pm. Phase II is currently in engineer design. GEFA loan modification and contract execution set for March 7th Council meeting.

General Department Report:

Sewer Department:

Currently working on yearly cleaning and maintenance of collection system, working to complete several lift station repair/upgrade projects, lift station SCADA project, sewer easement cutting, daily work orders, and working on budgeted small projects.

Water Department:

Currently working on meter maintenance, SCADA upgrade project, completing hydrant maintenance, valve maintenance, flushing program, daily work orders, and working on budgeted small projects.

Solid Waste Department:

Currently working on daily pickups, trash can replacement, trash can repair, and daily work orders. Working on current routing changes to better define route. Implement new routing changes. This change will not affect pick-up dates for customers, only optimizing daily routing for more efficient crew operations.
