COMMENTS:

Project Update:

- 1- Pumpkinvine Creek WPCP Sludge Dryer – Project is complete and closed out with GEFA
- 2- West Dallas Collector Sewer Extension Project - Project construction bid for Phase I took place on April 14th 2022. Project is set to be awarded during May meeting.

General Department Report:

Sewer Department:

Currently working on yearly cleaning and maintenance of collection system, working to complete several lift station repair/upgrade projects, lift station SCADA project, sewer easement cutting, daily work orders, and working on budgeted small projects.

Water Department:

Currently working on meter maintenance, SCADA upgrade project, completing hydrant maintenance, valve maintenance, flushing program, daily work orders, and working on budgeted small projects.

Solid Waste Department:

Currently working on daily pickups, trash can replacement, trash can repair, and daily work orders. Working on current routing changes to better define route.

Implement new routing changes. This change will not affect pick-up dates for customers, only optimizing daily routing for more efficient crew operations.
