Dear Asst. Chief Kish:

The Criminal Justice Coordinating Council, on behalf of the United States Attorney's Office, Northern District of Georgia (USAO-NDGA), would like to thank you for your application in response to the Project Safe Neighborhoods (PSN): **Project Safe Neighborhoods Gun Violence Reduction Equipment Grant Program.**

We are pleased to announce that after careful consideration your application was selected for funding by the PSN Selection Committee. The NDGA United States Attorney's Office has made it a priority to provide local law enforcement with the resources needed to better serve their communities. At the Criminal Justice Coordinating Council (CJCC), we are pleased to be a part of this effort and look forward to working with you. By providing your agency with crucial funds to expand your community engagement efforts, we can improve public safety and positively change lives of Georgians in the process.

The approval process is multi-level and includes seeking approval from the Bureau of Justice Assistance prior to issuing awards. Once final approval has been obtained, CJCC will provide you with the grant packet for completion. Please be advised that you should not begin any services or make any purchases related to this grant before having your award packet completed and submitted back to CJCC.

Please feel free to contact Planning and Policy Development Specialist, Muretta Moss, at Muretta.Moss@cjcc.ga.gov should you have any questions or concerns. Thank you for your patience through this process as well as your service to the State of Georgia.

Sincerely,

Mia Smith
Program Director
