WITNESSETH:

WHEREAS, the Mayor and City Council of the City of Dallas (the “**Mayor and City Council**”), as the governing body of the City of Dallas, Georgia (the “**City**”), in order to exercise the powers conferred upon the City by Chapter 61 of Title 36 of the Official Code of Georgia Annotated (“**O.C.G.A.**”), entitled the “Urban Redevelopment Law,” as amended (the “**Urban Redevelopment Law**”), adopted a resolution on July 22, 2004, finding that one or more “pockets of blight” exist in the City and that the rehabilitation, conservation, or redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, and welfare of the residents of the City; and

WHEREAS, the City adopted a resolution on May 5, 2025 designating an “urban redevelopment area,” which the Mayor and City Council designated as appropriate for urban redevelopment projects; and

WHEREAS, the City held a public hearing on May 5, 2025, on a proposed urban redevelopment plan (the “**Urban Redevelopment Plan**”), a copy of which is on file with the City, and the Mayor and City Council adopted a resolution on May 5, 2025 adopting the Urban Redevelopment Plan and the urban redevelopment projects set forth in such plan; and

WHEREAS, the Mayor and City Council adopted a resolution on May 5, 2025, which reactivated the Agency and conferred to the Agency all of the City’s urban redevelopment powers to administer the Urban Redevelopment Plan; and

WHEREAS, the Urban Redevelopment Law authorizes the Agency to issue revenue bonds in accordance with the Revenue Bond Law of Georgia, codified in O.C.G.A. § 36-82-60 through § 36-82-85, as amended (the “**Revenue Bond Law**”), to finance the undertaking of any “urban redevelopment project” under the Urban Redevelopment Law, which bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the Agency derived from or held in connection with its undertaking and carrying out of urban redevelopment projects under the Urban Redevelopment Law; and

WHEREAS, the Urban Redevelopment Law authorizes the Agency to undertake and carry out within the corporate limits of the City “urban redevelopment projects,” which are defined to include undertakings or activities of the Agency in an urban redevelopment area under the Urban Redevelopment Law for redevelopment, rehabilitation or conservation or any combination or part thereof, including the implementation of public improvements, in accordance with an urban redevelopment plan adopted pursuant to the Urban Redevelopment Law; and

WHEREAS, the Urban Redevelopment Law authorizes the Agency to make and execute contracts and other instruments necessary or convenient to the exercise of its powers under the

Urban Redevelopment Law, to acquire, by purchase, grant, or otherwise, any real property (defined to include all lands, including improvements and fixtures thereon and property of any nature appurtenant thereto or used in connection therewith), to hold, improve, clear, or prepare for redevelopment any such property, to dispose of any real property, and to borrow money for the purposes of the Urban Redevelopment Law and to give such security as may be required and to enter into and carry out contracts in connection therewith; and

WHEREAS, the City has requested that the Agency, a public body corporate and politic duly created and validly existing under and pursuant to the Urban Redevelopment Law, issue its revenue bond, to be secured by an intergovernmental contract by and between the Agency and the City, to provide funds for the City to renovate, construct and equip certain improvements to the historic courthouse to be used as the City's new city hall (together, the "**Project**"), and to pay certain costs of issuing the hereinafter defined Bond, all in accordance with the plans and specifications which are on file with the Agency and the City and which, by this reference thereto, are incorporated herein and made a part hereof as fully as if set forth herein in their entirety; and

WHEREAS, the City is authorized pursuant to Article IX, Section III, Paragraph I of the Constitution of the State of Georgia, to contract for any period not exceeding 50 years with the Agency for joint services, for the provision of services or for the joint or separate use of facilities or equipment, provided such contracts deal with activities, services or facilities which the contracting parties are authorized by law to undertake or provide; and

WHEREAS, the City and the Agency are each a "governmental body," as defined by the Revenue Bond Law, and are authorized to finance any revenue "undertaking" described therein and to issue revenue bonds to finance any undertaking; and

WHEREAS, the Agency hereby finds and determines that the Project is an "urban redevelopment project" within the meaning of the Urban Redevelopment Law and that the financing of the Project will further the purposes and policies of the Urban Redevelopment Law; and

WHEREAS, the Agency has determined that accomplishing the Project is in the best interests of the Agency, and the Agency has found and does hereby declare that such undertaking is for a lawful, valid, and necessary public purpose, which will prevent and eliminate certain pockets of blight, all to the public benefit and good; and

WHEREAS, in furtherance of its public purposes, the Agency proposes to provide funds to finance the construction and equipping of the Project through the issuance of its URBAN REDEVELOPMENT AGENCY OF THE CITY OF DALLAS REVENUE BOND, SERIES 2025, in the principal amount of \$8,105,000 (the "**Bond**"), pursuant to the provisions of this Resolution; and

WHEREAS, in consideration for the Agency's issuance of the Bond, the City has agreed to enter into an intergovernmental contract with the Agency, to be dated as of the date of issuance and delivery of the Bond (the "**Contract**"), the form of which has been presented to the Agency and is on record with the Agency, which Contract will provide, among other provisions, for payment by the City to the Debt Service Fund (as defined herein), for the account of the

Agency, of amounts sufficient to pay the principal of and interest on the Bond, and to pay the reasonable charges and fees, if any, of the Bond Registrar and Paying Agent (as defined herein), and other expenses more fully and clearly referenced by the terms and provisions contained in the Contract; and

WHEREAS, the City is authorized pursuant to the Constitution of the State of Georgia to levy taxes, and to expend tax money of the City and other available funds and to obligate the City to make payment thereof to the Agency of the amounts provided for in the Contract; and

WHEREAS, the Urban Redevelopment Law provides that revenue bonds issued by the Agency shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds, but any political subdivision contracting with the Agency may obligate itself to make the payments required under such contract from money received from taxes levied for such purpose and from any other source, and such obligation shall constitute a general obligation and a pledge of the full faith and credit of the obligor but shall not constitute a debt within the meaning of Article IX, Section V, Paragraph I of the Constitution of the State of Georgia, and when the obligation is made to make such payments from taxes to be levied for that purpose, then the obligation shall be mandatory to levy and collect such taxes from year to year in an amount sufficient to fulfill and fully comply with the terms of such obligation.

AUTHORIZATION, TERMS, AND FORM OF BOND

Section 201. Authorization of the Bond. The Bond is hereby authorized to be issued pursuant to the Revenue Bond Law of Georgia, codified in O.C.G.A. § 36-82-60 *et seq.*, the Constitution of the State of Georgia, the general laws of the State of Georgia, the laws of the State of Georgia relating to the Agency and pursuant to this Resolution, and all the covenants, agreements and provisions of this Resolution shall be for the equal and proportionate benefit and security of the owner of the Bond.

Section 202. Designation, Date, Denominations, Maturities, Interest Payment Dates, and Other Particulars of the Bond.

(a) The Bond shall be designated URBAN REDEVELOPMENT AGENCY OF THE CITY OF DALLAS (GEORGIA) REVENUE BOND, SERIES 2025.

(b) The Bond shall be issued in the principal amount of \$8,105,000, shall bear interest at the rate of 3.96% per annum calculated on the basis of a 360-day year consisting of twelve 30-day months, payable semi-annually on January 1 and July 1 (each an “**Interest Payment Date**”) in each year beginning July 1, 2026. The Bond shall mature on July 1, 2041, and be subject to scheduled mandatory redemption in the years and principal amounts set forth in Section 302 hereof. The schedule of interest payments and scheduled mandatory redemption payments is attached hereto as Exhibit A.

Upon the happening and continuance of any Event of Default (as defined in Section 8.01), the Bond shall bear interest at the rate of 7.96% (the “**Default Rate**”).

The Bond as originally issued shall be lettered and numbered R-1, and shall be dated as of its date of issuance and delivery.

(c) The Bond shall, except as provided in this Section, bear interest from the Interest Payment Date next preceding the date of authentication of the Bond to which interest on the Bond has been paid, unless (i) such date of authentication is an Interest Payment Date to which interest has been paid, in which case from such Interest Payment Date, (ii) such date of authentication of the Bond is after the Record Date with respect to an Interest Payment Date and prior to such Interest Payment Date, in which case from such Interest Payment Date, or (iii) no interest has been paid on the Bond, in which case from its dated date.

The person in whose name the Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding any registration of transfer or exchange subsequent to such Record Date and prior to such Interest Payment Date. The term “Record Date” as used in this Section with respect to any Interest Payment Date shall mean the fifteenth day of the calendar month next preceding such Interest Payment Date; provided, however, that if and to the extent a default shall occur in the payment of interest due on such Interest Payment Date, such past due interest shall be paid to the person in whose name the Bond is registered on a subsequent date of record established by notice given by mail by the Bond Registrar to the holder of the Bond not less than thirty days preceding such subsequent date of record.

(d) The principal of and interest and redemption premium, if any, on the Bond shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The principal of the Bond shall be payable upon the presentation and surrender of the Bond at the Designated Office of the Paying Agent. The interest on the Bond shall be paid by check or draft mailed by the Paying Agent by first class mail to the owner of the Bond at its address as appears on the bond register kept by the Bond Registrar (or by wire transfer to the registered owner of a Bond at a wire transfer address which said registered owner has provided to the Paying Agent not less than five days prior to an Interest Payment Date, which wire instructions shall remain in effect until the Paying Agent is notified to the contrary).

(e) The Bond shall be issued as a fully registered bond substantially in the form hereinafter set forth, with such variations, omissions, substitutions and insertions as are therein required or permitted.

Section 203. Execution of the Bond. The Bond shall be executed on behalf of the Agency with the manual or facsimile signature of its Chairman and shall have printed or impressed thereon the official seal of the Agency and be attested with the manual or facsimile signature of its Secretary. In case any officer of the Agency whose signature shall appear on the Bond shall cease to be such officer before the delivery of the Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Section 204. Authentication of the Bond; Temporary Bond. Only a Bond as shall have endorsed thereon a certificate of authentication executed by the Authentication Agent shall be entitled to any right or benefit under this Resolution. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been executed by the Authentication Agent, and such executed certificate of the Authentication Agent upon the Bond shall be conclusive evidence that the Bond has been authenticated and delivered hereunder. Said certificate of authentication on the Bond shall be deemed to have been executed by the Authentication Agent if signed by an authorized signatory of the Authentication Agent.

Pending preparation of a definitive Bond, there may be executed, and upon request of the Agency, the Authentication Agent shall authenticate and deliver, in lieu of a definitive Bond and subject to the same limitation and conditions, a temporary typewritten, printed, engraved, or lithographed Bond, in the form of a registered Bond without coupons and with such appropriate omissions, insertions, and variations as may be required with respect to such temporary Bond.

If a temporary Bond shall be issued, the Agency shall cause the definitive Bond to be prepared and to be executed and delivered to the Authentication Agent, and the Authentication Agent, upon surrender to it at its designated office of a temporary Bond, shall authenticate and deliver in exchange therefor at the place designated by the Bondholder, without charge to the Bondholder thereof, a definitive Bond of an equal principal amount, of the same maturity, and bearing interest at the same rate as the temporary Bond surrendered. A temporary Bond surrendered in any such exchange shall forthwith be delivered to the Bond Registrar and shall be cancelled by the Bond Registrar. Until so exchanged, the temporary Bond shall in all respects be

entitled to the same benefit and security of this Resolution as the definitive Bond to be issued and authenticated thereunder.

Section 205. Delivery of the Bond. Following the adoption and delivery of this Resolution, the Agency shall execute and deliver the Bond to the Authentication Agent, and the Authentication Agent shall authenticate the Bond and deliver the Bond to the purchaser as shall be directed by the Agency. Prior to the delivery of the Bond by the Authentication Agent, there shall be filed with the Authentication Agent:

(a) a copy, duly certified by the Secretary or an Assistant Secretary of the Agency, of this Resolution;

(b) an original executed counterpart of the Contract;

(c) a direction and authorization to the Authentication Agent on behalf of the Agency and signed by either its Chairman, Vice-Chairman, or Secretary to authenticate and deliver the Bond to the purchaser therein identified upon payment to the Agency, but for the account of the City, of a sum specified in such authorization;

(d) a copy of the validation proceedings with respect to the issuance of the Bond duly certified by the Clerk of Superior Court of Paulding County, Georgia;

(e) an opinion of Bond Counsel to the effect that (i) the Bond has been issued in conformity with the Urban Redevelopment Law, has been properly authorized by this Resolution, has been executed, authenticated, and issued in accordance with the terms of this Resolution and in accordance with the Constitution and laws of the State of Georgia, and is the legal, valid, and binding special obligation of the Agency enforceable in accordance with its terms and secured in accordance with its tenor and (ii) the interest on the Bond is excludable from federal income taxes under existing statutes, regulations, rulings, and court decisions; and

(f) an opinion of counsel for the City that the Contract has been duly authorized, executed, and delivered by the City and is in full force and effect and constitutes a legal, valid, and binding obligation of the City enforceable in accordance with its terms.

Section 206. Mutilated, Lost, Stolen, or Destroyed Bond. In the event the Bond is mutilated, lost, stolen, or destroyed, the Agency shall execute and the Authentication Agent shall authenticate and deliver a new Bond of like date, maturity and denomination to that mutilated, lost, stolen, or destroyed, provided that, in the case of a mutilated Bond, such mutilated Bond shall first be surrendered to the Agency or the Bond Registrar, and in the case of any lost, stolen, or destroyed Bond, there first shall be furnished to the Agency and the Bond Registrar evidence of such loss, theft or destruction satisfactory to the Agency and the Bond Registrar, together with an indemnity satisfactory to them. In the event the Bond shall have matured, instead of issuing a duplicate Bond, the Paying Agent may pay the same without surrender thereof making such requirements as it deems fit for its protection, including a lost instrument bond. In executing a new Bond, the Agency may rely conclusively upon a representation of the Bond Registrar that the Bond Registrar is satisfied with the adequacy of the evidence presented concerning the mutilation, loss, theft, or destruction of the Bond.

Section 207. Validation Certificate. A duly executed validation certificate of the Clerk of Superior Court of Paulding County, Georgia, signed with the manual or facsimile signature of such Clerk, will be endorsed on the Bond and will be essential to its validity.

Section 208. Paying Agent and Bond Registrar; Authentication Agent. The Bond Registrar and Paying Agent for the Bond and the Authentication Agent for the Bond will keep, at its designated office, proper registration, exchange, and transfer records in which it shall register the name and address of the owner of the Bond.

Section 209. Transfer and Registration of the Bond. The Bond shall be transferable only upon the books of the Agency, which shall be kept for that purpose at the designated office of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such registered bond the Agency shall issue in the name of the transferee a new fully-registered Bond, without coupons, of the same aggregate principal amount and maturity as the surrendered Bond.

Section 210. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging or transferring a Bond is exercised, the Agency shall execute and the Bond Registrar shall authenticate and deliver the Bond in accordance with the provisions hereof. (c) to subject to the lien and pledge of this Resolution to additional revenues, properties, or collateral.

Section 902. Supplemental Resolutions Requiring Consent of Bondholder.

(a) Exclusive of supplemental resolutions covered by Section 901 and subject to the terms and provisions contained in this Section 902, and not otherwise, the owner of the Bond shall have the right from time to time anything contained in this Resolution to the contrary notwithstanding, to consent to and approve, in writing, the adoption by the Agency of such other resolution or resolutions supplemental hereto as shall be deemed necessary and desirable by the Agency for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution or in any supplemental resolution, provided, that without the written consent of owner of the Bond the Agency may not adopt any supplemental resolution that has the effect of permitting a change in the terms of redemption (other than changes in the procedures for redemption) or maturity of the principal of the Bond or of any installment of interest thereon or a reduction in the principal amount or redemption price thereof or in the rate of interest thereon without the consent of the holder of the Bond or shall change or modify any of the rights or obligations of the Bond Registrar or Paying Agent without its written assent thereto.
