Greetings,

I am making a recommendation for the promotion of Firefighter 3 Gary Stanley to the rank of lieutenant. This promotion will fill the vacancy left by the retirement of Lieutenant Randy Rogers. Firefighter Stanley has met the required pre-requisites set forth for the rank of lieutenant.

He was employed with Dalton Fire Department in April 1999. Prior to joining our department Gary was a volunteer firefighter with Whitfield County Fire Department. Gary was promoted to the rank of Firefighter III in October 2009, where he has served as a senior firefighter and fill-in officer. In this role Gary's battalion chief has reported he has become a respected leader among the ranks on his shift. He also stated Gary continuously works to improve his performance and displays the attributes Dalton Fire Department expects from our leadership. Gary has several Recognition of Performance submissions, as well a Commendation for Lifesaving Efforts during a fire. Prior to joining Dalton Fire Department Gary served in the United States Army.

I would appreciate your support in recognizing Firefighter 3 Gary Stanley with a promotion to the rank of lieutenant.

Thank you all for your consideration.

Todd Pangle
