## **TRAFFIC CONTROL CHANGE**

Type: 'No Parking - South Side of the Street' between 7AM-11PM & 'No Parking - North Side of the Street' at Any Time for Hale Bowen Drive

Location: Hale Bowen Drive (Veterans Drive to Park Creek School Property)

Comments: The purpose of this Traffic Control Change is to prohibit on-street parking for the south side of the street on Hale Bowen Drive between the hours of 7:00 AM – 11:00 PM. Parking on the north side of the street will be prohibited at all times. Cars parked on the sides of the street are impeding the traffic flow for the student pick-up/drop off line at Park Creek Elementary. The overflow residential parking is creating site distance issues, as well. If the Traffic Control Change is approved, the Public Work Traffic Division will post "No Parking" signs as outlined above.
