Subject: Certification of Consistency Needed-City of Dalton

Good Afternoon All,

We hope everything is going well with your agencies and in your community. The reason I am emailing you all is that we are currently working on the State's 2025 Continuum of Care Application with HUD for the homeless programs. As in years past, HUD has asked each Continuum of Care to include all projects for each Consolidated Plan jurisdiction onto one Certification of Consistency form.

Attached is a Certification of Consistency form for the State's 2025 Continuum of Care Application for the projects designed to serve the City of Dalton. Some of the funding priorities at the federal level have changed this year so you may note some differences from the proposals submitted in years past under this NOFO. This year there are a total of three projects as noted below and also in the second attachment. Those include one renewal Permanent Supportive Housing (PSH) project, one new Transitional Housing (TH) project, and one new Supportive Services Only (SSO) project.

I am cc'ing staff members of Dalton-Whitfield CDC, City of Refuge Dalton, and the Salvation Army Dalton Corps to let them know that I have sent this to you. This way they will know that they may need to submit additional project information to your office for review upon request. By now, some of you may have heard that HUD has put the annual CoC competition on hold with no timetable provided as to when it may resume. The BoS CoC plans to continue our process, and our review teams are now scoring and ranking all of the applications. We intend to continue moving forward so that we will be prepared for whenever the competition reopens. To that end, we still need to get the signed Certification of Consistency from the City.

Once the Certification is signed, please scan & email it back to me at rick.heermans@dca.ga.gov. Please return this to me by December 31st if possible and let us know if you need anything else regarding this request or if you have any questions.

Thanks,
Rick Heermans
