

Certificate of Promotion

ENGINEER

September 24, 2024

Greetings,

I would like to recognize Firefighter Anibal Moran for his promotion to the rank of Engineer. This promotion fills vacancies left by the Lieutenant promotions conducted in August. Firefighter Moran has met the required prerequisites set forth for the rank of Engineer.

Firefighter Moran was employed with Dalton Fire Department in August 2015. Firefighter Moran graduated from Calhoun High School in 2006. Anibal is a member of the department's Special Operations Team and holds numerous technician level certifications for technical rescue and hazardous materials response. According to his current officers, Firefighter Moran shows great pride and a strong work ethic on a daily basis and is an asset within his assigned company.

I appreciate this opportunity to publicly recognize Firefighter Anibal Moran and his promotion to the rank of Engineer.

Thank you all for your continued support.

A handwritten signature in blue ink that reads 'Matt Daniel'.
