Please Provide A Summary of Your Request, Including Background Information to Explain the Request:

This request is for the milling, as needed, and resurfacing of all asphalt surfaces located at station two. This location is also used as our training grounds. The current asphalt is coming up in several places all throughout. This project has the approval and support of the Public Safety Commission. Dalton Public Works has assisted in the RFP process and will also be acting as the project manager given their expertise in this process.
